Project Title: Phase III A-2 Transmission Main, Valley View Mobile Home Park Water Consolidation Project

Project Applicant: Coachella Valley Water District

Project Location (include county): Unincorporated Riverside County near Thermal, CA

**Project Description:**

The Phase III A-2 Transmission Main is a component of the Valley View Mobile Home Park Water Consolidation Project, which would address potable water public health concerns, reliability, and water quality for nine small water systems that are not currently connected to the CVWD potable water distribution system. The project proposes the construction of up to 3,500 linear feet (0.67 mile) of potable water pipe to connect the existing CVWD water mains on Palm Street and Airport Boulevard. The precise pipeline alignment would depend on what easements CVWD can obtain from landowners.

This is to advise that the Coachella Valley Water District has approved the above  
(☒ Lead Agency or ☐ Responsible Agency)

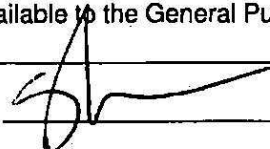

described project on April 12, 2022 and has made the following determinations regarding the above
