<b>Total Requested SAC Assessment for FY-2023/2024</b>	<b>\$2,915,000</b>

---

<sup>1</sup> CRB FY-2023/2024 budget is from the Governor's proposed 2023 budget.

<sup>2</sup> Subaccounts 2.C (System Conservation and Augmentation) and 2.D (Basin States Vegetation Management) have been eliminated in this proposed budget, with the remaining balance in these accounts shifted to subaccounts 2.B and 3, respectively.

<sup>3</sup> Contract with Natural Resources Results LLC for representation of the SAC with federal legislative affairs support and providing monthly updates and special reports totaling \$120,000, with additional funding for potential research or public relations contracts TBD.

<sup>4</sup> Unspent funds held by the State Treasurer for the current fiscal-year (FY-2022/2023) as of March 31, 2023.

<sup>5</sup> This value represents unspent funds from contributions made to the State Treasurer in FY-2020/2021 and FY-2021/2022.
