Project Title: Addendum No. 1 to Valley View Mobile Home Park Water Consolidation Project Mitigated Negative Declaration (MND) and Subsequent MND (State Clearinghouse No. 2019079095)

Lead Agency / Project Applicant: Coachella Valley Water District (CVWD)
Carlos Huerta, Environmental Specialist
(760) 398-2651
75-515 Hovley Lane East
Palm Desert, CA 92211

Project Location: Unincorporated community of Thermal, Riverside County, in the vicinity of Airport Boulevard and Fillmore Street

Project Description: The Project, as modified in Addendum No 1, would construct approximately 1,400 linear feet of potable water pipeline to consolidate the De Leon Ranch small water system (SWS) (APN 763-370-026) into CVWD's existing potable water system. The Project would be located within a dirt road north of Soto Street between Soto Water SWS and De Leon Ranch SWS. Consequently, CVWD would not need to construct approximately 4,600 linear feet of pipeline within Fillmore Street and Avenue 55 to consolidate De Leon Ranch, as originally proposed in the Valley View Mobile Home Park Water Consolidation Project MND, This change results in a reduction of approximately 3,200 linear feet of pipeline from the De Leon Ranch alignment.. See Attachment A.

This Notice of Determination is to advise that the CVWD's Board of Directors approved the above-described project on **July 25, 2023**, and has made the following determinations regarding the above-described project:

1. The Project will not have any significant effect on the environment.
2. A MND was prepared and certified for this project pursuant to the provisions of the California Environmental Quality Act (CEQA) and reflects the independent judgement of the Lead Agency.
3. Mitigation measures were made a condition of the approval of the Project.
4. A Mitigation Monitoring and Reporting Program was adopted as part of the Project.

Notice of Determination (continued)

5. A Statement of Overriding Considerations was_not adopted as part of the Project.
