

This aerial map displays the project location for Lift Station 55-11 in Mecca, California. The main map shows a red-outlined area near the intersection of Highway 111 and 68th Avenue. A yellow callout box points to the specific location of the lift station. The map includes labels for major roads like Highway 111 and 68th Avenue, as well as local streets such as 2nd St, 1st St, and 68th Ave. An inset map in the bottom left corner provides a broader context, showing the project location within the Mecca area and its proximity to Highway 111. A north arrow is also present in the bottom left corner.
